

# Buprenorphine Waiver Eligibility Training for Clinical Providers

**Two Upcoming Workshops in Batavia, NY  
March 23, and April 13, 2019 (both 9AM – 1PM)**

The University at Buffalo's Clinical Research Institute and the NYS Office of Alcohol and Substance Abuse Services (OASAS) are sponsoring a **free buprenorphine waiver training for clinical health care providers**.

The buprenorphine waiver 8-hour training is offered in a half-and-half format (4.5 hrs. of in-person training followed by 3.5 hrs. of online training).

- Light refreshments will be served
- Participants will receive CME credits

Physicians (MDs, DOs) need to complete the half-and-half course to apply for the waiver. Nurse Practitioners (NPs) and Physician Assistants (PAs) are required to complete the standardized buprenorphine waiver 8-hour training as well as an additional 16 hours of online training as established by the Comprehensive Addiction and Recovery Act (CARA). Please contact us for further information.
