ProjectTEACH

TRAINING AND EDUCATION FOR THE ADVANCEMENT OF CHILDREN'S HEALTH

The importance of early identification and intervention is vital to helping children have the best possible mental health outcomes.

The agenda for this FREE training includes content on topics such as:

- ADHD, anxiety, aggression, bipolar disorder, depression, and trauma
- Effective assessment and treatment strategies
- Reimbursement practices for mental health services

This training is presented by Project TEACH, a project funded by the New York State Office of Mental Health.

Good mental health lets young people live their best lives. Let us help you care for the kids in your practice.

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of McLean Hospital and Massachusetts General Hospital. McLean Hospital is accredited by the ACCME to provide continuing medical education for physicians.

McLean Hospital designates this live activity for a maximum of 11.00 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

ABOUT PROJECT TEACH

Our mission is to strengthen and support the ability of New York's pediatric primary care providers (PCPs) to deliver care to children and families who experience mild-to-moderate mental health concerns.
